Warrant for Annual Meeting

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Mont Vernon in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Mont Vernon on Tuesday, the eighth day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To choose a delegate to the Constitutional Convention.

4. To see if the town will vote to allow a discount on property taxes of three percent if paid in full before July 1, and two percent if paid before August 1.

5. To see if the town will accept state aid for the construction of the Class 2 road known as the Francestown Turnpike and raise and appropriate for said purpose the sum of \$679.50; or will accept state aid for the construction of Class 5 roads and raise and appropriate for said purpose the sum of \$475.83.

6. To see if the town will authorize the Selectmen to borrow money in anticipation of taxes.

7. To see if the town will authorize the Selectmen to administer or dispose of any real estate acquired through Tax Collector's deeds.

8. To see if the town will raise and appropriate \$500.00 for the purpose of painting the town buildings.

9. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this nineteenth day of February, in the year of our Lord nineteen hundred and thirty-eight.

GEORGE B. BLOOD,
F. C. REAGAN,
ARVID G. ERLANDO,
Selectmen of Mont Vernon.

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, reports and bank statements of all town officers and find them individually correct. However, the reports of the tax collector and town treasurer show a difference of nine cents which is in the hands of the tax collector.

DALAND MEMORIAL LIBRARY

Soon after the last report was written, the death of another Daland trustee occurred. William H. Kendall had served for a great many years and was the only survivor of the original board, which was appointed soon after the death of Mrs. Daland in 1899, about ten years before the Library building was erected, the other members being J. Frank Wellington and John H. Colby.

Because of legal difficulties there has been delay in appointing a new board of Trustees, and with no funds accruing from the legacy left for the purchase of books, the work of the Library has been hampered and its usefulness unavoidably lessened.

However, interested friends have kindly donated books, the State Aid has sent us 16, and we have purchased all we could from the town appropriation.

Donations of books from Mrs. G. W. Auryansen in memory of May V. Peck, Mrs. W. B. Wood, Mrs. G. D. Kittredge, Miss Mattie Brown, Mrs. Orie Raymond Bailey, Mr. E. C. Bates, Mrs. R. D. Morgan, Miss E. C. Flint, Carl Pomeroy, and Mrs. Amy H. Abbott are gratefully acknowledged.

We are also indebted to Mrs. Alice Campbell Wilson for six large scrap books filled with Mont Vernon items from the Cabinet and other papers, dating from 1902 to the present time.

Our circulation has dropped somewhat, but 3437 books and magazines have been given out, which is a reasonable figure under existing conditions.

A number of books are being discarded and arrangements are being made to send some of them to the State Industrial School at Manchester in answer to an appeal for reading matter for the 120 boys and 35 girls there.

As usual, in our purchase of books we have con-

sidered the book lists of required reading from the Milford High School, and the Congregational Church Reading List. We have at present 22 books on the latter list, some obtained from State Aid.

There is little that is new to report. Your librarian and one trustee attended the District Meeting held in Milford last summer, and became acquainted with the new Secretary of the New Hampshire Library Commission, Miss Margaret Grant, as well as receiving inspiration from the fine program.

We start another year with the hope of better times ahead, and the opportunity for greater usefulness with the continued cooperation and assistance of all.

Respectfully submitted,

RUTH S. ENDREJAT,

Librarian.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Mont Vernon:

I herewith submit my nineteenth annual report which is the twentieth in the series of such reports.

Supervisory School Union No. 40

The School Districts in the Union are Amherst, Brookline, Hollis, Milford, and Mont Vernon. Hollis came into the Union July 1, 1933.

The several School Boards of a Supervisory Union together constitute a joint committee which meets annually between April 1st and June 1st at a time and place fixed by the Chairman of this joint committee. This committee organizes and chooses a Chairman, Secretary, and Treasurer. At the present time Mr. Francis C. Reagan of Mont Vernon is Chairman, Mrs. Jennie S. Fessenden of Brookline is Secretary, and Mr. Raymond A. Dyer of Milford the Treasurer. This joint Board nominates a Superintendent of Schools, fixes his salary and apportions the salary among the several districts. A Union may add such amount as they determine to the minimum amount paid by the state which at present is \$2000. The additional amount voted by the Union for the current year ending June 30, 1938 is \$1600. This is divided among the several districts as follows: Amherst 17%, Brookline 8%, Hollis 14%, Milford 56%, and Mont Vernon 5%.

This joint committee also has authorized the employment of a clerk in the Superintendent's office. For salary of clerk and other office expenses the Union has appropriated \$890, distributed as follows: Amherst \$151.30, Brookline \$71.20, Hollis \$124.60, Milford \$498.40, and Mont Vernon \$44.50.

In nominating a Superintendent of Schools each district is entitled to three representatives having one vote each on the joint Board. Each district em-

playing more than eight full-time teachers is entitled to one additional vote for each five teachers or major part in excess of eight, hence, each district has three votes and Milford four additional.

Instruction

The same arrangement of grades continues as for several years past, namely, all children in the first six grades are accommodated at the village schoolhouse where the lower room only is used for school purposes. The upper room is used as a club room for several organizations including the Men's Club, Wednesday Club and the Grange. It is also available for school programs. This last December the community Christmas tree with exercises by the children was held on the afternoon of December 23 in this upper hall.

Miss Helen C. Draper, who completed six years of service last June, resigned to accept a position in the sixth grade at Milford. The position was filled by the appointment of Miss Mary T. Bemis of Chesham. Miss Bemis graduated from Keene Normal School in 1935 and has taught the school in West Deering for the past two years.

Grades VII and VIII as well as the upper four years of High School attend at Milford.

Transportation

In 1928 the district went on record as approving transportation of practically all pupils in town in-

cluding those who live under the two mile limit beyond which the law required transportation. Accordingly, transportation is so arranged. The work is offered by the School Board for bids during the summer and contracts made accordingly. At present Mr. Robert Mason and Mr. Henry LaPointe are doing all of the transporting, including grades VII and VIII to Milford. Transportation for high school pupils is not paid for by the school district.

Repairs

During the summer of 1937 the schoolhouse was shingled on the north side. (The south side was done in 1936.) Usual minor repairs such as cleaning and floor waxing were done.

Needs for the future, including items mentioned last year, are:

1. Exterior painting of village building. This ought to be done this coming summer; it was last painted in 1928.
2. A closet for books and supplies on the first floor. Present arrangements are such that this can be very easily constructed by using a part of the space now used for wood storage.
3. Water supply.
4. More playground equipment.

Adult Education

The correspondence center for study courses as stated last year is being continued under the direction of Mr. Albert N. French of Durham with Mr. Reagan as Supervisor. This opportunity is open to persons over sixteen years of age who are not already enrolled in schools. At the present time about one hundred eighty persons are enrolled in a wide variety of courses. Mr. French is in Milford each Tuesday afternoon and evening. For further information or for appointments contact the Superintendent's office.

The Classroom Teacher

Mr. Daniel W. MacLean of Berlin, President of the New Hampshire State Teachers' Association, has recently written:

" . . . The world, since early dawn, has produced great teachers whose influence has brought about great changes in our political, social, and economic life. In this great rush of the machine age in which we now live, the importance of the classroom teacher, in a great many cases, is lost sight of . . . The classroom teacher, with all the added duties as a result of the constant change in the home life of the children under her direction, new courses of study, extra-curricula activities, and advanced professional study, has met the challenge this age presents to her and is still the paramount factor in whatever situation the school finds itself. Through her wisdom and good judgment, she has chosen wisely the means best adapted to give the young people placed under her direction the culture and subject matter required to fit them for the problems of life that they must inevitably face."

Respectfully submitted,

HAROLD C. BALES,
Superintendent of Schools.

REPORT OF SCHOOL NURSE

To Harold C. Bales, Superintendent of Schools,
Mont Vernon, N. H.:

The following is my fifth annual report of the health work in Mont Vernon schools.

The annual medical examination was made by Dr. Burns, the nurse assisting. The results of the in-

spection will be given in the school physician's report.

A well-baby and pre-school clinic was held at the church vestry and inoculations against diphtheria were given at this time. This was made possible by the State Board of Health.

Hearing tests were given with the audiometer and three children were found to have defective hearing.

Vision tests have not been made this year. This is to be done at a later date.

One child was taken to Grasmere Hospital for tonsil operation and one child for orthopedic correction.

Nine school room visits have been made by the nurse this year.

Respectfully submitted,

VENITA H. CARTER, R. N.,

School Nurse.
